Natural Birch from Finnish
forest industry sidestreams.

Yes, it's wood.

We are here to make a difference.

Our signature Woodio® material is the world's first 100% waterproof solid wood composite made from real wood chips with a minimal carbon footprint - designed for private and commercial bathroom interiors.

Our collections bring together modern Scandinavian simplicity with our material in the heart of the design. We offer a new alternative for the conscious home owner.

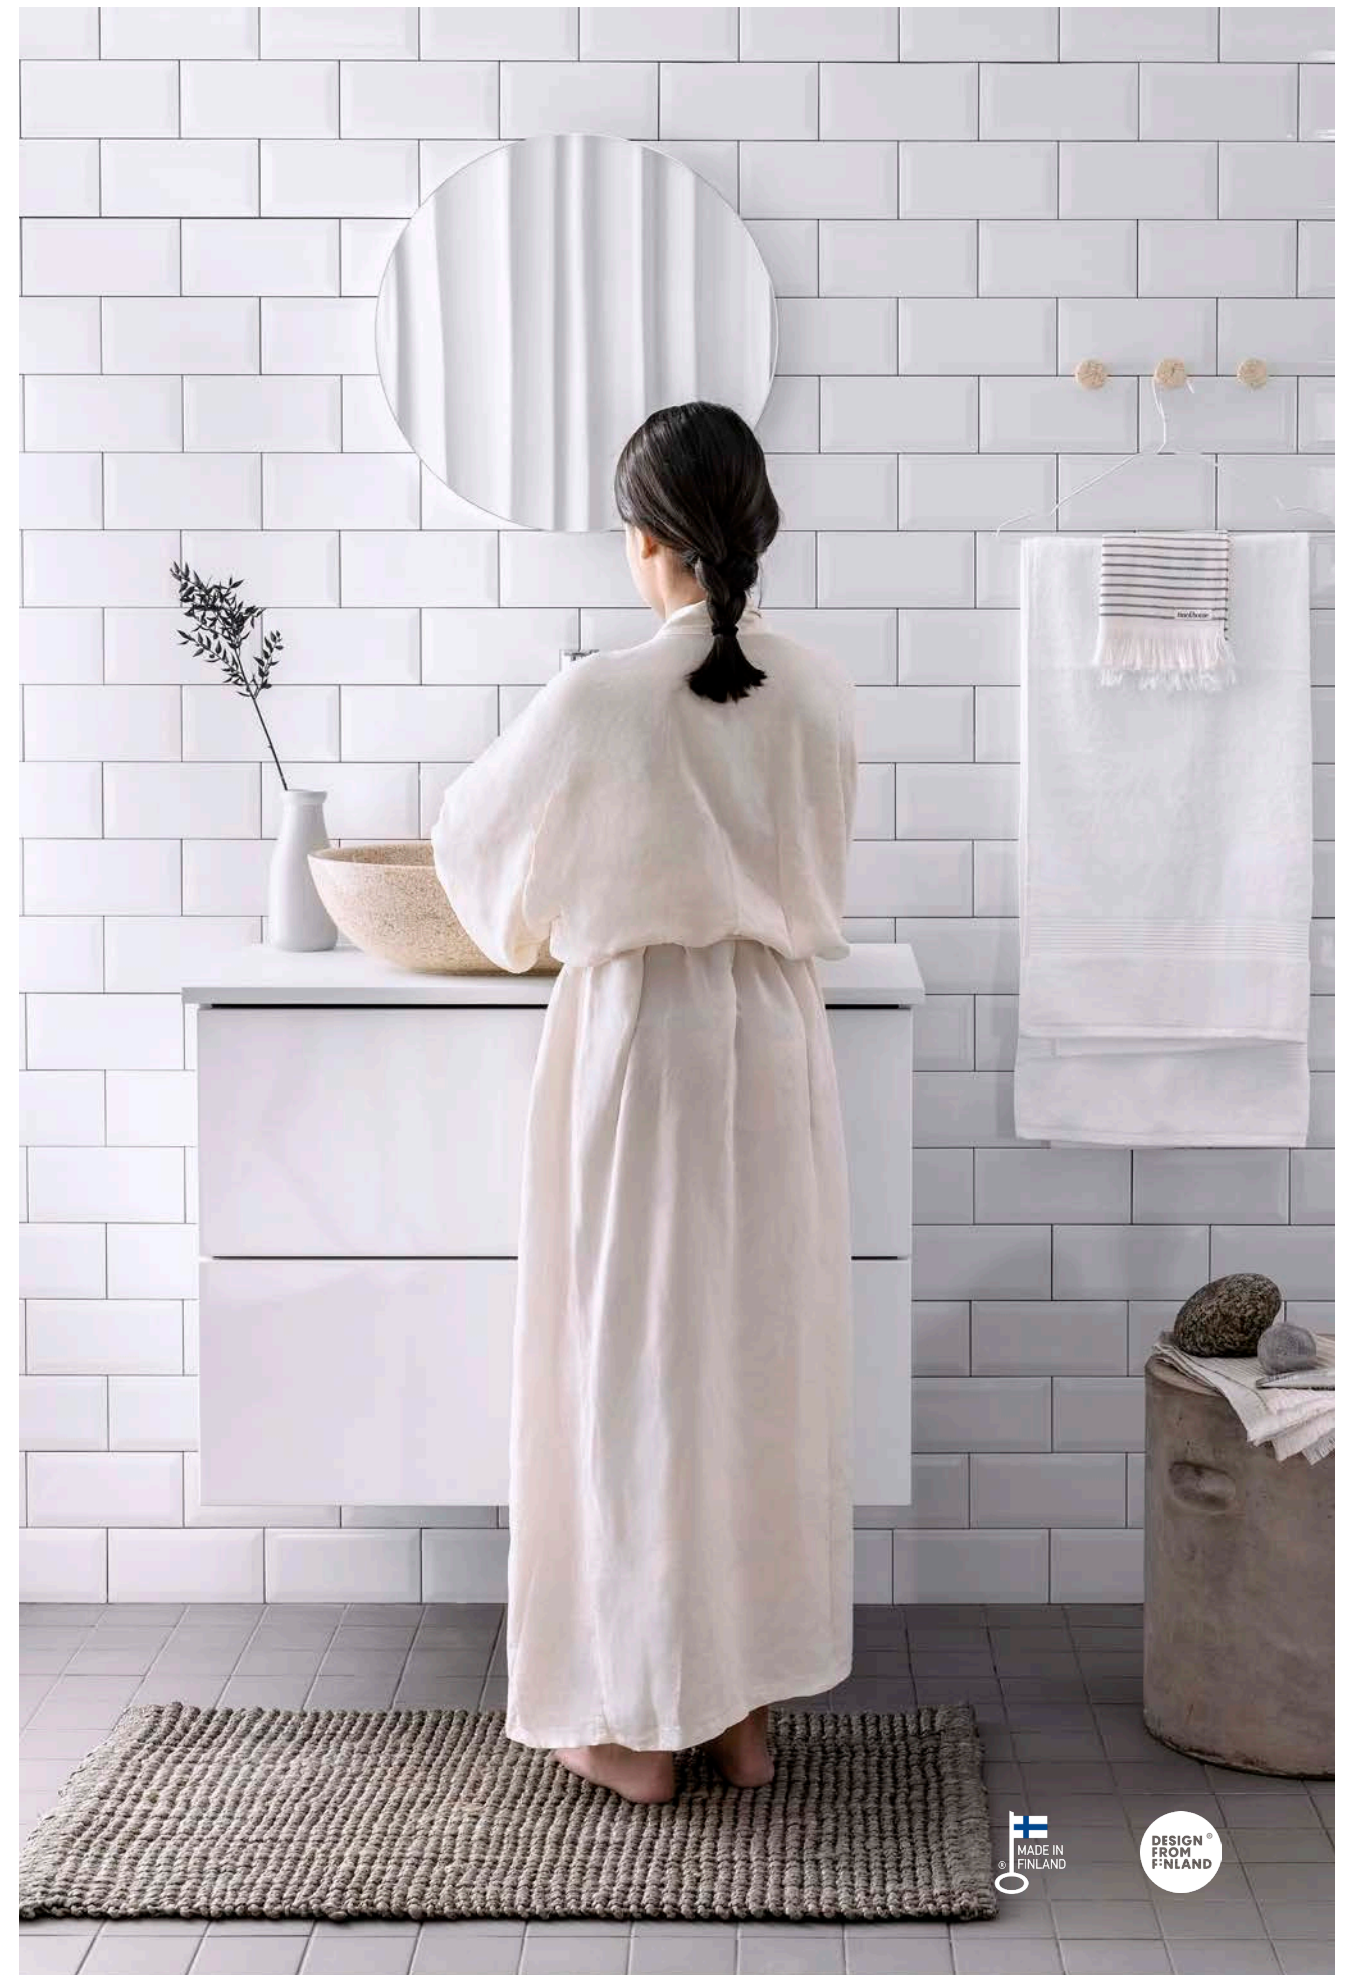

Made in Finland.

We come from the land of forests.

In Finland the old wood industry meets research and innovation. Woodio is built on this heritage and constant curiosity of doing more with what we already have.

Therefore it is only natural, that all our products are designed and manufactured in Finland at Woodio's own factory.

The Association for Finnish Work has awarded all Woodio products the Key Flag symbol in recognition of products made in Finland. We have also been awarded the Design from Finland mark that is awarded to companies that have contributed to Finnish design. We are proud to carry these awards as a symbol of Finnish work, design and craftsmanship.

woodio®

Polar

White in the bathroom has never looked this cosy! Our new colour of the year 2021 Polar is a warm tone of white with a slight silver undertone. Just like the polar sun peeking through the misty winter sky.

Every step counts.

Material Innovation

We strive to make sustainable choices throughout the whole production process - from the material itself to manufacturing, long-term use and disposal.

Woodio® material technology is an innovative combination of wood and resin based adhesives. We wanted to combine the advantages of ceramic and related bathroom materials, while offering a solution to their issues.

Approximately 80% of our product content is locally sourced solid wood or wood sourced from Finnish forest industry side-streams.

Manufacturing

All Woodio products are manufactured in Finland at Woodio's own factory with close to carbon neutral manufacturing process.

Our patent pending cast moulding technology does not require high amounts of water and energy, or high-temperature ovens to make the final product. This is why carbon footprint is a lot lower than bathroom materials traditionally have. The CO2 savings per unit are 55kg less than with a similar sized ceramic basin.

The low weight of the final product and durability also reduce emissions and losses in logistics.

Long-term use

Woodio material is far more impact resistant than many other bathroom materials, making it practically unbreakable in normal use. It is maintenance free and the expected life time is the same as with any traditional bathroom materials – or even longer.

Disposal

Woodio products serve as a CO2 storage. Products can be burned as energy when it has come to the end of its lifecycle. No landfill waste.

We stand for modern
Scandinavian simplicity,
sustainability and function
with material in the heart of
the design.

Philosophy.

Modern Scandinavian sustainability.

Woodio collections bring together modern Scandinavian simplicity and function with material in the heart of the design. Our constant curiosity on research and sustainable material development builds the foundation of our design philosophy.

Our expressive sustainable solid wood composite is the core element in all our product design. The modern, functional and minimalistic design accentuates the unique texture of the solid wood composite material.

Polar draws its warmth from the material's core raw ingredient - locally sourced aspen. Polar is available throughout the Woodio product range.

Core colours.

Sustainable simplicity.

Woodio Core is a curated colour collection of our full bathroom range in three beautiful northern nature inspired tones - Natural, Polar and Char.

Core colours

Natural

An organic and harmonious tone of undyed Natural Aspen 2mm.

Polar

A warm tone of white with a slight silver undertone.

Char

An elegant charcoal tone of black with a hint of smokey blue.

All coloured wood available in Aspen 2mm only - dyed with non-toxic stain colours.

Woodio Hooks
in Char black..

Go green in the bathroom. Woodio Moss green adds elegant personality into the bathroom interiors.

Premium colours.

Northern Elements

Make a statement in the bathroom with our premium colour range - Northern Elements. This curated colour palette offers rich and elegant northern nature inspired tones that will make your bathroom a true eye-catcher.

Premium colours Moss, Arctic, Stone, Clay, Berry, Root, Natural birch and aspen are available in selected Woodio models.

Natural

A harmonious tone of undyed Natural Aspen 5mm.

Natural Birch

An earthy tone of Natural Birch 6mm with an organic texture.

Clay

A warm earthy tone of brown infused with amber.

Berry

An elegant burgundy tone of purple with a touch of pink.

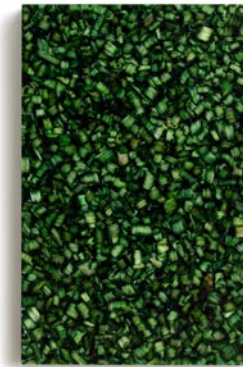

Root

A sensitive tone of dark brown with sophisticated earthy warmth.

Stone

A sophisticated shade of grey with blue and brown undertones.

Moss

A vibrant and bright shade of moss green.

Arctic

A deep tone of arctic blue with a tint of teal.

All coloured wood available in Aspen 2mm only - dyed with non-toxic stain colours.

Woodio Soft40 table
top washbasin in Natural
Aspen.

Washbasins.

Sustainable design and function.

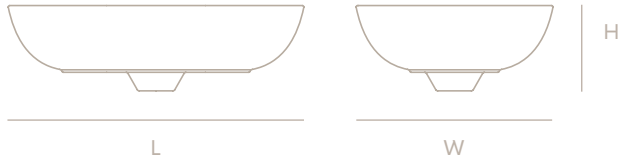

Woodio washbasin collection includes 17 different washbasin designs ranging from classic table top and recessed washbasins to functional wall hung and integrated models.

Our washbasin designs stand for modern Scandinavian simplicity and function with styles from sophisticated round shapes to minimalistic square form.

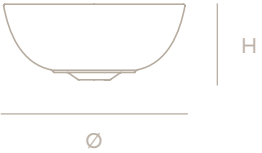

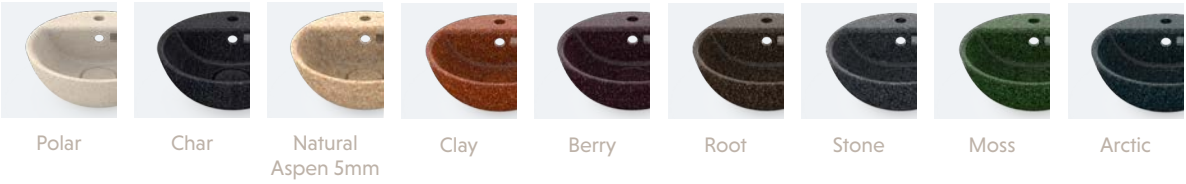

Soft40 table top

Dimensions	Ø 400 mm x H 188 mm / Height after installation 150 mm
Material	Waterproof Woodio® solid wood composite with UV, scratch, chemical and dirt resistant coating. Wood material options Aspen 2mm, Aspen 5mm, Birch 6mm.
Weight	5,3 kg
Faucet hole	No
Over-flow	No
Product standard	EN 14688:2006
Colours	Core: Natural, Polar, Char in Aspen 2mm. Northern Elements: Natural Aspen 5mm, Natural Birch 6mm and Clay, Berry, Root, Stone, Moss, Arctic in Aspen 2mm.
Installation	Easy installation. Package contains table top washbasin, Woodio® material plug cover, installation parts, instructions and template. The installation requires a drain valve, including a water trap and a separate drainpipe depending on the site.

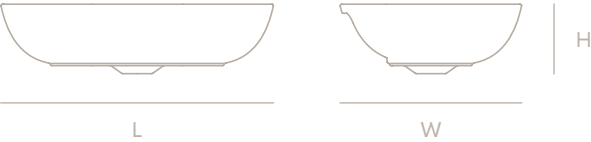

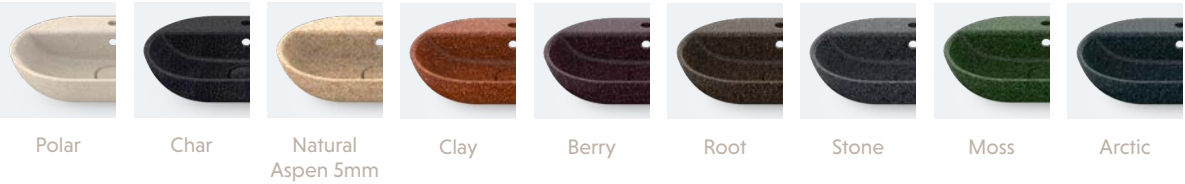

Soft60 table top

Dimensions	L 600 mm x W 400 mm x H 173 mm / Height after installation 135 mm
Material	Waterproof Woodio® solid wood composite with UV, scratch, chemical and dirt resistant coating. Wood material options Aspen 2mm, Aspen 5mm, Birch 6mm.
Weight	8,8 kg
Faucet hole	No
Over-flow	No
Product standard	EN 14688:2006
Colours	Core: Natural, Polar, Char in Aspen 2mm. Northern Elements: Natural Aspen 5mm, Natural Birch 6mm and Clay, Berry, Root, Stone, Moss, Arctic in Aspen 2mm.
Installation	Mount on a table top. Easy installation. Package contains table top washbasin, Woodio® material plug cover, installation parts, instructions and template. The installation requires a drain valve, including a water trap and a separate drainpipe depending on the site.

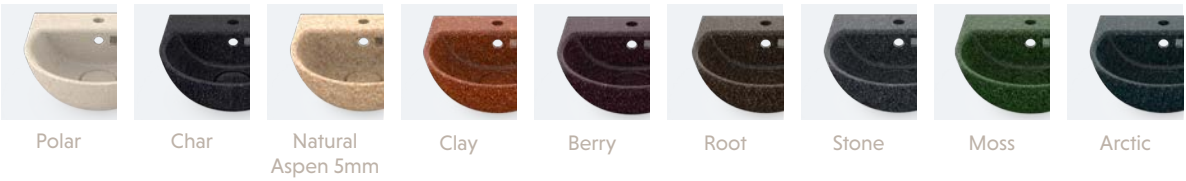

Soft40 with a faucet

Dimensions	Ø 400 mm x H 166 mm / Height after installation 150 mm
Material	Waterproof Woodio® solid wood composite with UV, scratch, chemical and dirt resistant coating. Wood material options Aspen 2mm, Aspen 5mm.
Weight	6,3 kg
Faucet hole	Ø 35 mm
Over-flow	Ø 29 mm
Product standard	EN 14688:2006
Colours	Core: Natural, Polar, Char in Aspen 2mm. Northern Elements: Natural Aspen 5mm and Clay, Berry, Root, Stone, Moss, Arctic in Aspen 2mm.
Installation	Easy installation. Package contains table top washbasin with a place for a faucet, Woodio® material plug cover, installation parts, instructions and template. The installation requires a drain valve, including a water trap and a separate drainpipe depending on the site.

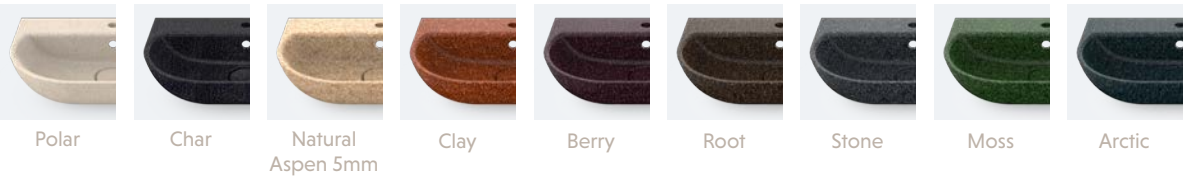

Soft60 with a faucet

Dimensions	L 600 mm x W 400 mm x H 153 mm / Height after installation 135 mm
Material	Waterproof Woodio® solid wood composite with UV, scratch, chemical and dirt resistant coating. Wood material options Aspen 2mm, Aspen 5mm.
Weight	8,9 kg
Faucet hole	Ø 35 mm
Over-flow	Ø 29 mm
Product standard	EN 14688:2006
Colours	Core: Natural, Polar, Char in Aspen 2mm. Northern Elements: Natural Aspen 5mm and Clay, Berry, Root, Stone, Moss, Arctic in Aspen 2mm.
Installation	Easy installation. Package contains table top washbasin with a place for a faucet, Woodio® material plug cover, installation parts, instructions and template. The installation requires a drain valve, including a water trap and a separate drainpipe depending on the site.

Soft40 wall hung

Dimensions	L 400 mm x W 400 mm x H 166 mm
Material	Waterproof Woodio® solid wood composite with UV, scratch, chemical and dirt resistant coating. Wood material options Aspen 2mm, Aspen 5mm.
Weight	9,5 kg
Faucet hole	Ø 35 mm
Over-flow	Ø 29 mm
Product standard	EN 14688:2006
Colours	Core: Natural, Polar, Char in Aspen 2mm. Northern Elements: Natural Aspen 5mm and Clay, Berry, Root, Stone, Moss, Arctic in Aspen 2mm.
Installation	Easy installation. Package contains wall hung washbasin with a place for a faucet, semi-glossy black steel wall mounting panel, Woodio® material plug cover, installation parts, instructions and template. The installation requires a drain valve, including a water trap and a separate drainpipe depending on the site.

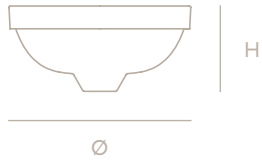

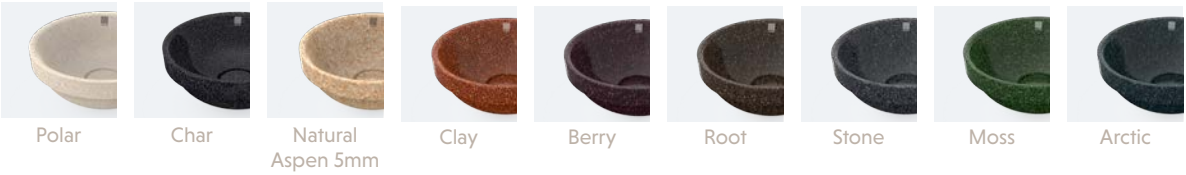

Soft60 wall hung

Dimensions	L 600 mm x W 400 mm x H 153 mm
Material	Waterproof Woodio® solid wood composite with UV, scratch, chemical and dirt resistant coating. Wood material options Aspen 2mm, Aspen 5mm.
Weight	10,5 kg
Faucet hole	Ø 35 mm
Over-flow	Ø 29 mm
Product standard	EN 14688:2006
Colours	Core: Natural, Polar, Char in Aspen 2mm. Northern Elements: Natural Aspen 5mm and Clay, Berry, Root, Stone, Moss, Arctic in Aspen 2mm.
Installation	Easy installation. Package contains wall hung washbasin with a place for a faucet, semi-glossy black steel wall mounting panel, Woodio® material plug cover, installation parts, instructions and template. The installation requires a drain valve, including a water trap and a separate drainpipe depending on the site.

Natural Aspen 2mm

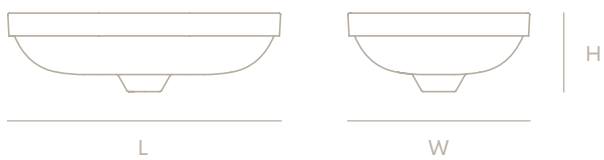

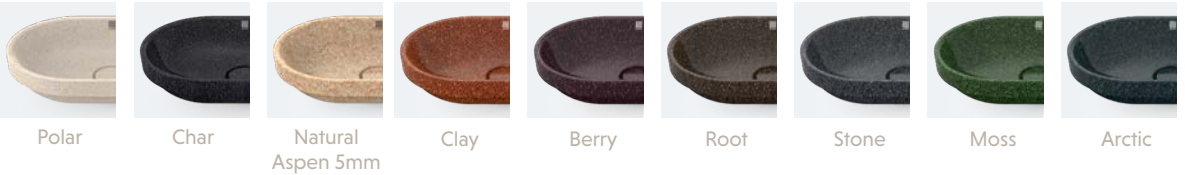

Soft40 recessed

Dimensions	Ø 400mm x H 188mm / Height after installation 50 mm
Material	Waterproof Woodio® solid wood composite with UV, scratch, chemical and dirt resistant coating. Wood material options Aspen 2mm, Aspen 5mm.
Weight	5,4 kg
Faucet hole	No
Over-flow	No
Product standard	EN 14688:2006
Colours	Core: Natural, Polar, Char in Aspen 2mm. Northern Elements: Natural Aspen 5mm and Clay, Berry, Root, Stone, Moss, Arctic in Aspen 2mm.
Installation	Easy installation. Package contains recessed washbasin, Woodio® material plug cover, installation parts, instructions and template. The installation requires a drain valve, including a water trap and a separate drainpipe depending on the site.

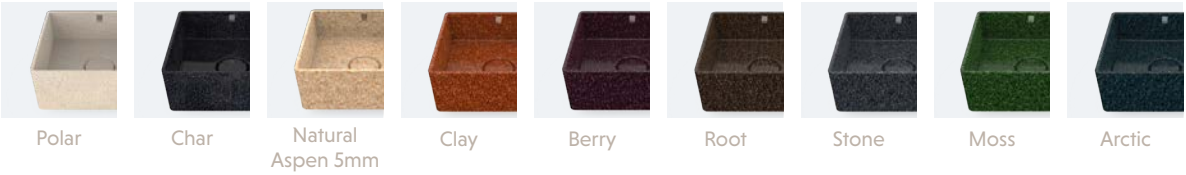

Natural Aspen 2mm

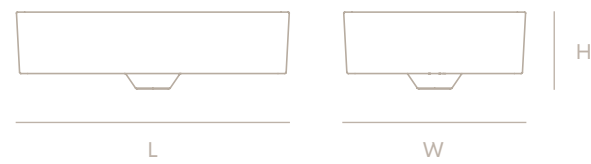

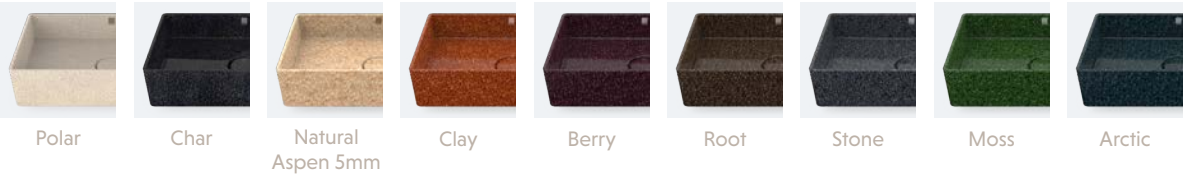

Soft60 recessed

Dimensions	L 600 mm x W 400 mm x H 173 mm / Height after installation 50 mm
Material	Waterproof Woodio® solid wood composite with UV, scratch, chemical and dirt resistant coating. Wood material options Aspen 2mm, Aspen 5mm.
Weight	8,6 kg
Faucet hole	No
Over-flow	No
Product standard	EN 14688:2006
Colours	Core: Natural, Polar, Char in Aspen 2mm. Northern Elements: Natural Aspen 5mm and Clay, Berry, Root, Stone, Moss, Arctic in Aspen 2mm.
Installation	Easy installation. Package contains recessed washbasin, Woodio® material plug cover, installation parts, instructions and template. The installation requires a drain valve, including a water trap and a separate drainpipe depending on the site.

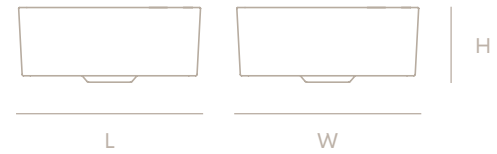

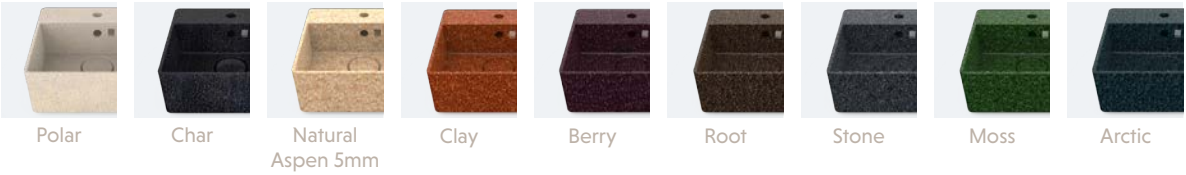

Cube40 table top

Dimensions	L 400 mm x W 400 mm x H 184 mm / Height after installation 150 mm
Material	Waterproof Woodio® solid wood composite with UV, scratch, chemical and dirt resistant coating. Wood material options Aspen 2mm, Aspen 5mm.
Weight	6,9 kg
Faucet hole	No
Over-flow	No
Product standard	EN 14688:2006
Colours	Core: Natural, Polar, Char in Aspen 2mm. Northern Elements: Natural Aspen 5mm and Clay, Berry, Root, Stone, Moss, Arctic in Aspen 2mm.
Installation	Easy installation. Package contains table top washbasin, Woodio® material plug cover, installation parts, instructions and template. The installation requires a drain valve, including a water trap and a separate drainpipe depending on the site.

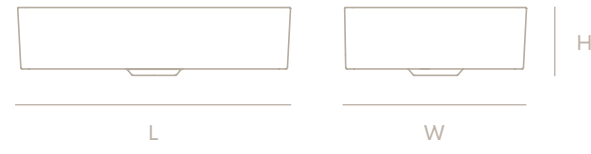

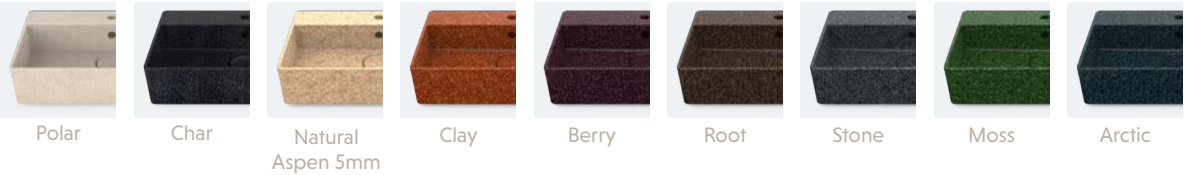

Cube60 table top

Dimensions	L 600 mm x W 400 mm x H 169 mm / Height after installation 135 mm
Material	Waterproof Woodio® solid wood composite with UV, scratch, chemical and dirt resistant coating. Wood material options Aspen 2mm, Aspen 5mm.
Weight	10,3 kg
Faucet hole	No
Over-flow	No
Product standard	EN 14688:2006
Colours	Core: Natural, Polar, Char in Aspen 2mm. Northern Elements: Natural Aspen 5mm and Clay, Berry, Root, Stone, Moss, Arctic in Aspen 2mm.
Installation	Easy installation. Package contains table top washbasin, Woodio® material plug cover, installation parts, instructions and template. The installation requires a drain valve, including a water trap and a separate drainpipe depending on the site.

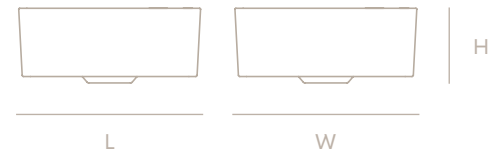

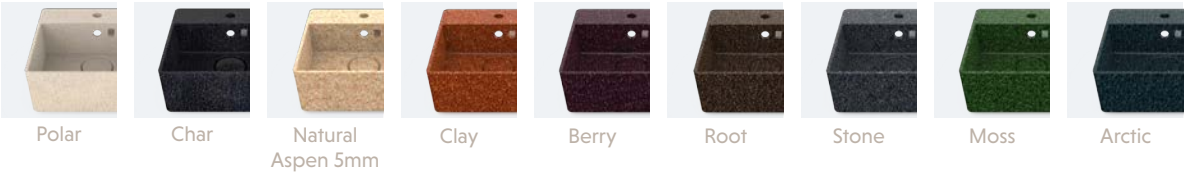

Cube40 with a faucet

Dimensions	L 400 mm x W 400 mm x H 164 mm / Height after installation 150 mm
Material	Waterproof Woodio® solid wood composite with UV, scratch, chemical and dirt resistant coating. Wood material options Aspen 2mm, Aspen 5mm.
Weight	8,3 kg
Faucet hole	Ø 35 mm
Over-flow	Ø 29 mm
Product standard	EN 14688:2006
Colours	Core: Natural, Polar, Char in Aspen 2mm. Northern Elements: Natural Aspen 5mm and Clay, Berry, Root, Stone, Moss, Arctic in Aspen 2mm.
Installation	Easy installation. Package contains table top washbasin with a place for a faucet, Woodio® material plug cover, installation parts, instructions and template. The installation requires a drain valve, including a water trap and a separate drainpipe depending on the site.

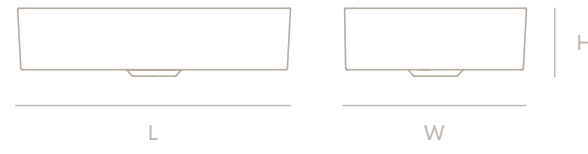

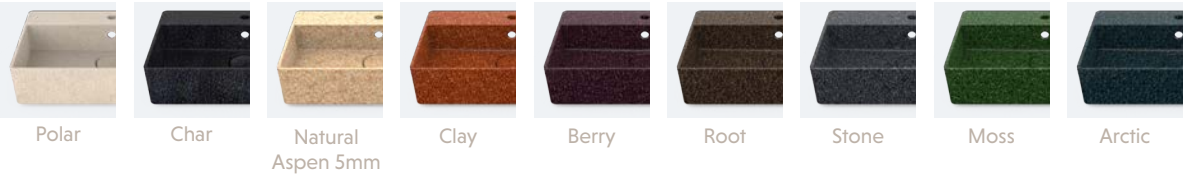

Cube60 with a faucet

Dimensions	L 600 mm x W 400 mm x H 149 mm / Height after installation 135 mm
Material	Waterproof Woodio® solid wood composite with UV, scratch, chemical and dirt resistant coating. Wood material options Aspen 2mm, Aspen 5mm.
Weight	11,2 kg
Faucet hole	Ø 35 mm
Over-flow	Ø 29 mm
Product standard	EN 14688:2006
Colours	Core: Natural, Polar, Char in Aspen 2mm. Northern Elements: Natural Aspen 5mm and Clay, Berry, Root, Stone, Moss, Arctic in Aspen 2mm.
Installation	Easy installation. Package contains table top washbasin with a place for a faucet, Woodio® material plug cover, installation parts, instructions and template. The installation requires a drain valve, including a water trap and a separate drainpipe depending on the site.

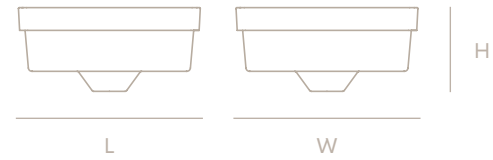

Cube40 wall hung

Dimensions	L 400 mm x W 400 mm x H 164 mm
Material	Waterproof Woodio® solid wood composite with UV, scratch, chemical and dirt resistant coating. Wood material options Aspen 2mm, Aspen 5mm.
Weight	8,0 kg
Faucet hole	Ø 35 mm
Over-flow	Ø 29 mm
Product standard	EN 14688:2006
Colours	Core: Natural, Polar, Char in Aspen 2mm. Northern Elements: Natural Aspen 5mm and Clay, Berry, Root, Stone, Moss, Arctic in Aspen 2mm.
Installation	Easy installation. Package contains wall hung washbasin with a place for a faucet, semi-glossy black steel wall mounting panel, Woodio® material plug cover, installation parts, instructions and template. The installation requires a drain valve, including a water trap and a separate drainpipe depending on the site.

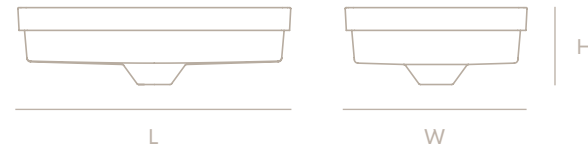

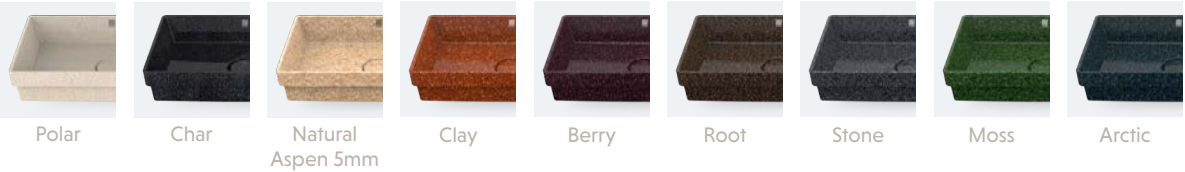

Cube60 wall hung

Dimensions	L 600 mm x W 400 mm x H 149 mm
Material	Waterproof Woodio® solid wood composite with UV, scratch, chemical and dirt resistant coating. Wood material options Aspen 2mm, Aspen 5mm.
Weight	11,8 kg
Faucet hole	Ø 35 mm
Over-flow	Ø 29 mm
Product standard	EN 14688:2006
Colours	Core: Natural, Polar, Char in Aspen 2mm. Northern Elements: Natural Aspen 5mm and Clay, Berry, Root, Stone, Moss, Arctic in Aspen 2mm.
Installation	Easy installation. Package contains wall hung washbasin with a place for a faucet, semi-glossy black steel wall mounting panel, Woodio® material plug cover, installation parts, instructions and template. The installation requires a drain valve, including a water trap and a separate drainpipe depending on the site.

Cube40 recessed

Dimensions	L 400 mm x W 400 mm x H 184 mm / Height after installation 50 mm
Material	Waterproof Woodio® solid wood composite with UV, scratch, chemical and dirt resistant coating. Wood material options Aspen 2mm, Aspen 5mm.
Weight	6,4 kg
Faucet hole	No
Over-flow	No
Product standard	EN 14688:2006
Colours	Core: Natural, Polar, Char in Aspen 2mm. Northern Elements: Natural Aspen 5mm and Clay, Berry, Root, Stone, Moss, Arctic in Aspen 2mm.
Installation	Easy installation. Package contains recessed washbasin, Woodio® material plug cover, installation parts, instructions and template. The installation requires a drain valve, including a water trap and a separate drainpipe depending on the site.

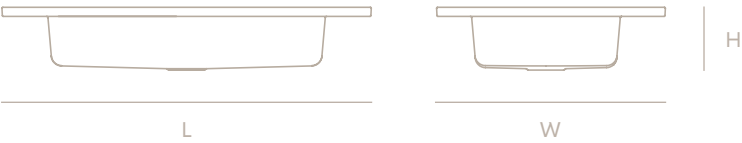

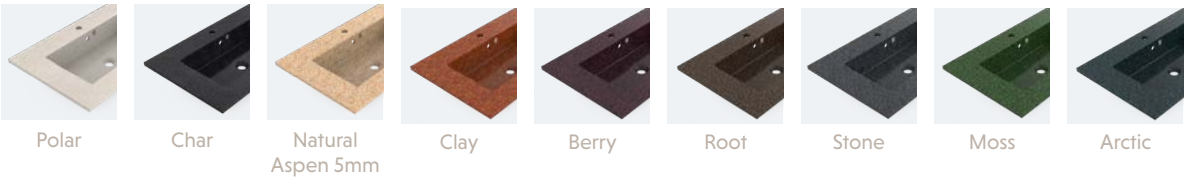

Cube60 recessed

Dimensions	L 600 mm x W 400 mm x H 169 mm / Height after installation 50 mm
Material	Waterproof Woodio® solid wood composite with UV, scratch, chemical and dirt resistant coating. Wood material options Aspen 2mm, Aspen 5mm.
Weight	8,6 kg
Faucet hole	No
Over-flow	No
Product standard	EN 14688:2006
Colours	Core: Natural, Polar, Char in Aspen 2mm. Northern Elements: Natural Aspen 5mm and Clay, Berry, Root, Stone, Moss, Arctic in Aspen 2mm.
Installation	Easy installation. Package contains recessed washbasin, Woodio® material plug cover, installation parts, instructions and template. The installation requires a drain valve, including a water trap and a separate drainpipe depending on the site.

Natural Aspen 2mm

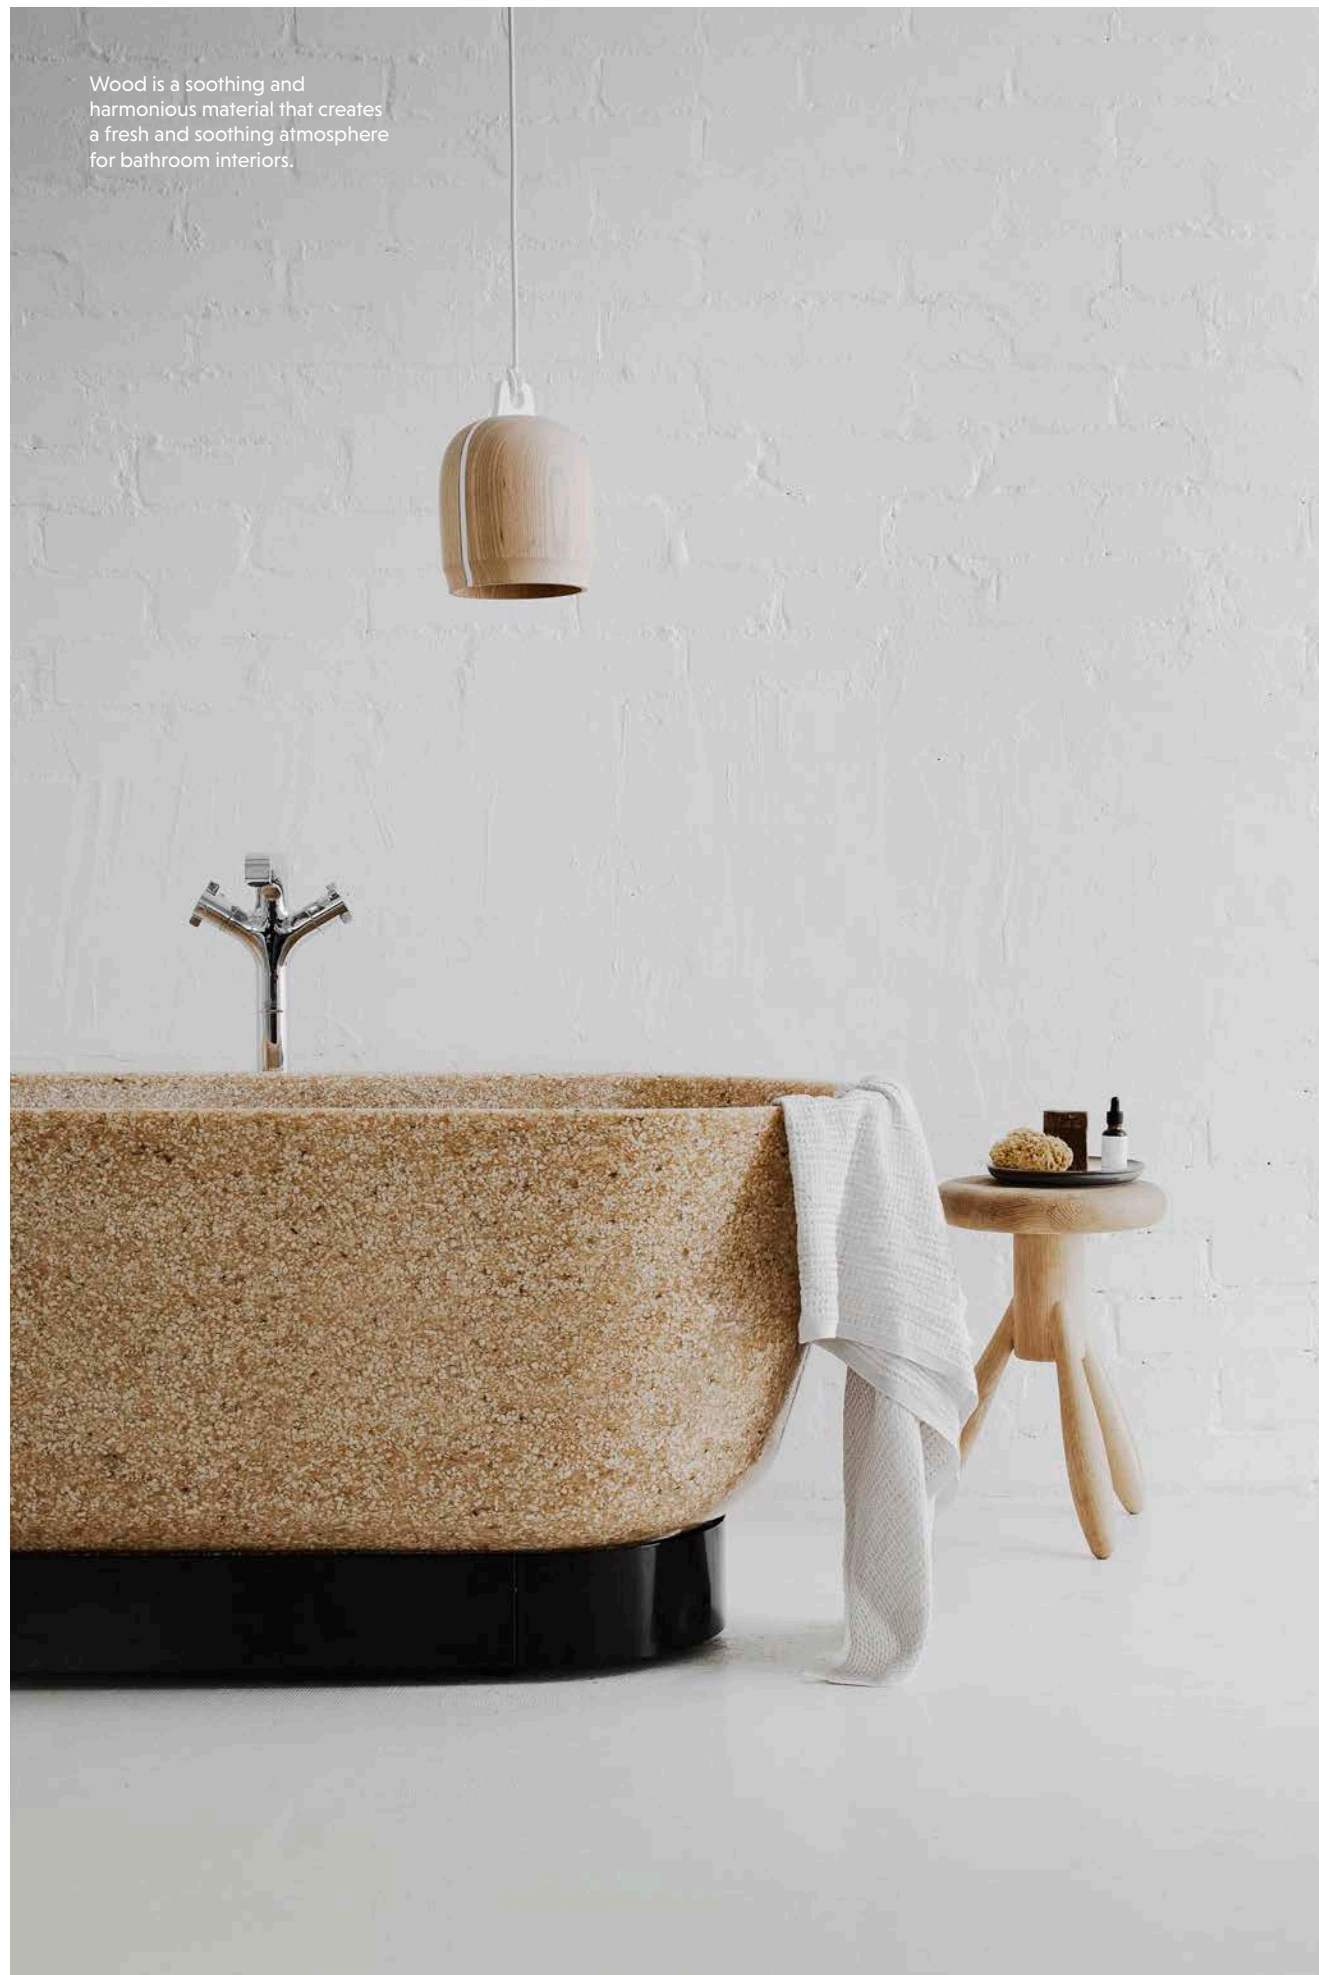

Unit80

Dimensions	L 812 mm x W 503 mm x H 138 mm / Height after installation 20 mm
Material	Waterproof Woodio® solid wood composite with UV, scratch, chemical and dirt resistant coating. Wood material options Aspen 2mm, Aspen 5mm.
Weight	14,5 kg
Faucet hole	Ø 35 mm
Over-flow	Ø 29 mm
Product standard	EN 14688:2006
Colours	Core: Natural, Polar, Char in Aspen 2mm. Northern Elements: Natural Aspen 5mm and Clay, Berry, Root, Stone, Moss, Arctic in Aspen 2mm.
Installation	Easy installation. Integrated into a cabinet frame. Package contains Unit80 washbasin with a place for a faucet and instructions. The installation requires a drain valve, including a water trap and a separate drainpipe depending on the site.

Woodio Unit80 in Natural Aspen paired with Hooks for a finished look.

Wood is a soothing and harmonious material that creates a fresh and soothing atmosphere for bathroom interiors.

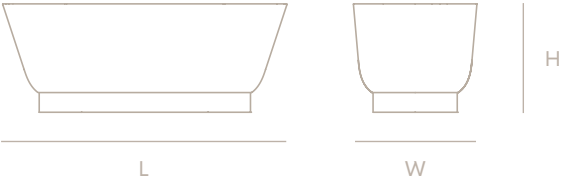

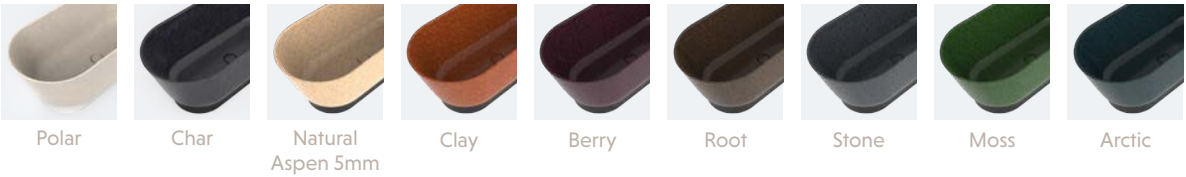

Bathtub.

Create spa feeling at home.

Woodio Flow freestanding bathtub is true bathroom centerpiece and it is sure to create some relaxing spa vibes at home. The design pairs beautifully with our washbasin models.

The Flow bathtub does not require any fittings or major rework in the bathroom. It's a "plug-and-play" once the proper plumbing is in place. All you need is your favourite bath salts and you're good to go!

Flow

Dimensions	L 1600 mm x W 700 mm x H 630 mm
Capacity	257 l
Material	Waterproof Woodio® solid wood composite with UV, scratch, chemical and dirt resistant coating. Wood material options Aspen 2mm, Aspen 5mm.
Weight	80 kg
Faucet hole	No
Over-flow	No
Product standard	EN 14516:2015
Colours	Core: Natural, Polar, Char in Aspen 2mm. Northern Elements: Natural Aspen 5mm and Clay, Berry, Root, Stone, Moss, Arctic in Aspen 2mm.
Installation	Easy installation. Freestanding Woodio® material bathtub with integrated pop-up drain valve & adjustable legs. Drain valve, plug and drain pipe connector are supplied with bath. The installation requires a separate drainpipe depending on the site. The package contains installation instructions.

Woodio multipurpose
Hook set in Char black.

Accessories.

The perfect sidekick.

Woodio accessories are designed as the perfect sidekick for a Woodio basin to complete the look in your bathroom. But worry not, you can use them creatively all around the house.

Hook

Dimensions	Ø 40 mm x H 34 mm
Material	Waterproof Woodio® solid wood composite with UV, scratch, chemical and dirt resistant coating. Wood material option Aspen 2mm.
Weight	23 g
Insert type	M4
Hanger bolt	M4 x 40
Colours	Core: Natural, Polar, Char in Aspen 2mm.
Installation	Multipurpose hook with easy installation. Use it in the bathroom as a hook or as a knob for your vanity. Package contains three hooks with hanger bolts and installation instructions. Installation requires a wall plug for a 4mm screw depending on the installation surface material.

Durable

Durable and impact resistant. Our products are practically unbreakable in normal use. Expected life time is the same as with any traditional bathroom materials – or even longer.

Sustainable

Minimal carbon footprint. Our production does not require water or energy-intensive phases. Material serves as a CO₂ storage. You can burn our products as energy at the end of their lifecycle. No landfill waste.

Lightweight

Lightweight compared to traditional bathroom products. This helps us reduce emissions also in logistics.

Easy care

Easy to keep clean. If necessary, clean your Woodio washbasin with a dampened soft cloth and mild non-abrasive dish detergent or soap. That's it!

Quick to install

Easy and quick to install. You'll get simple and easy to read installation instructions and a template to make it a smooth sailing.
